Marion To Begin Summer Bike Patrol

Thanks to the efforts of the Marion Police Brotherhood, Marion residents will soon be seeing two police officers on bicycles patrolling the Marion Village area. According to Police Chief Brian J. Scott, he was hoping to start such a bike patrol in Marion last summer, but he didn't have the necessary funding — an estimated $2,000 — to purchase and equip the two bikes. When representatives of the Police Brotherhood offered to offset this expense, he was thrilled with the prospect.

"I think the union is to be commended for this action," Chief Scott said. "This is a shining example of their commitment to the community. I cannot say enough about the Marion Police Brotherhood ... they have done a great deal for this town."

Two officers immediately volunteered to begin the bike patrols this summer: Officer Kyle Costa and Officer Scott Brightman. These two officers not only volunteered to man the bike patrols, but also took it upon themselves to train and learn about proper riding safety on their own time and at their own expense.

"They did everything on their own," Chief Scott said. "They went through strength tests, agility tests, studied nutrition, and learned how to maintain their conditioning."

Chief Scott noted the patrols would essentially cover the center of town, from Front Street to Route 6, and from Zora Road to Route 105. The bikes would also be useful in patrolling the beach area, Island Wharf, and in ticketing illegally parked cars in the downtown district.

Each of the mountain bikes which will be used cost between $600 and $650, and the remaining funds were used to equip the bikes and purchase riding gear. The bikes are replete with "Marion Police" lettering (courtesy of Village Signs in Mattapoisett), and include strobe lights, headlights, flashers, and related equipment. Chief Scott also said that a patrol car would be equipped with a bike rack to allow the officer to travel to remote locations in town and then patrol on the bikes.

The bicycle patrols will begin on June 18 and will run Thursday, Friday and Saturday nights, and Saturday afternoons throughout the summer. Chief Scott noted that if the program is successful, he will be looking into increasing the patrols to cover more areas of town.

On the cover: Marion police officers Kyle Costa (white shirt) and Scott Brightman (blue shirt) pose outside the Marion Town House with their newly-purchased mountain bikes. The bikes will be used to patrol the Marion Village this summer, beginning June 18. With them is Sgt. Larry Savery, who will oversee the bike patrols for the department. (Photo by Kenneth J. Souza.)

A Salute to the Class of 1995

140 Seniors Graduate from ORR High School

On Saturday afternoon, June 3, some 140 seniors bid farewell to Old Rochester Regional High School as they received their diplomas and headed on to college and life out in "the real world." After successfully completing four years of schooling, the students were ready to take on the further challenges of college academia, career opportunities, and the ever-difficult dilemma of making choices that will affect the rest of their lives.

Prior to the commencement ceremonies on June 3, a special Senior Awards Assembly was held on Thursday, June 1 at 7:30 pm at ORR High School. The following graduates are applauded for their achievements:

Valedictorian for ORR's Class of 1995 was Kathryn L. Dutra, daughter of Mr. and Ms. Thomas A. Dutra of Mattapoisett.

Nathaniel C. Lanza was the recipient of the National Merit Scholar award from Taylor Publishing Company. He also received the Academic Medals for Math and Science, the AP Calculus, Organic Chemistry, F.O.R. Drama, Honor Bowl, and National Honor Society awards as well as the All-Star for the Math League and the State Math Olympiad Award. He is the son of Joan Lanza of Mattapoisett.

The following students received Letters of Commendation from the National Merit Scholarship Program: Tasche Bryant, Gregory Dean, Caroline Gracia, Adam Kolek, Jeremy Smith.

State Representative William Straus awarded the class' top ten students with certificates from the State House. The top ten included: Kathryn L. Dutra

Mattapoisett Selectmen's Meeting

June 6, 1995

By Amelia Thrall

A regular meeting of the Mattapoisett Board of Selectmen was called to order on Tuesday, June 6 at 7:00 pm by Chairman Paul E. Lambalot. Also present were Selectman Daniel O. Mahoney and Executive Secretary Carol J. Adams. Selectman John N. DeCosta was attending a dedication at Old Colony, so he was not present for the meeting.

The board signed and approved the minutes of their meetings on May 23 and May 30, the minutes of the Execution Session on May 30, and the treasury warrant for the week. The board approved a Reserve Fund Transfer granting an additional $1,379.12 for the printing and mailing of the Town Reports.

The Selectmen also approved the appointments of the Shellfish Constable, Assistant Dog Officer, members of the new regional Joint Transportation Planning Committee, and a reappointment to the Historical Commission.

The Division of Marine Fisheries submitted a letter regarding the closure of shellfishing at Shaw's Cove in Fairhaven from May 1 through November 30. Also under incoming correspondence was an invitation to the dedication of "The Gallery of Flags" at the State House which the Selectmen and Executive Secretary plan to attend. The Mattapoisett School Building Needs Committee submitted their minutes from May 11 and John N. DeCosta, as chairman of the Memorial Day Committee, sent a thank you note for the

Selectmen's participation in the holiday exercises.

The Selectmen unanimously granted permission for corrosion repair work at the intersection of Third Street and Pease's Point. They also approved the request of "Mudgie" Tavares to hold dances on the Town Wharf on behalf of the Mattapoisett Track Club. The teen dances will be held on Thursdays from 7:30 - 10:30 pm beginning June 22 and continuing through August 30.

Outgoing correspondence included a letter to the Bureau of Indian Affairs concerning the application for an off-reservation acquisition of land in New Bedford from the Wampanoag Tribe of Gay Head under the Indian Gaming Regulatory Act. The board also sent correspondence to Brown & Barrett, Certified Public Accountants, which authorized inspection and observation in any department during the FY94 audit.

Both Selectmen granted approval to Com/Electric and NYNEX to put

At 7:45 pm, Fire Chief Ronald E. Scott arrived to discuss the Handex Release Abatement Measure Plan concerning the gas leak at the Police Station. The Remedial Action Plan which they proposed includes installation of a groundwater recovery system and a vapor recovery system.

Selectman Daniel Mahoney proposed a separate budget item for repair costs. This would make tracking the costs easier and not put the burden on any particular department. According to Chief Scott, there are "many towns and cities with this problem."

With no other items to discussion, the meeting was adjourned at 8:00 pm.

Marion Selectmen's Meeting

June 6, 1995

A regular meeting of the Marion Board of Selectmen was called to order on Tuesday, June 6 at 7:00 pm by Chairman Albert E. Winters. Also present were Selectman Loretta B. Schaefer, Selectman Jonathan "Jody" Dickerson, Executive Secretary Ray Pickles, and Secretary Helene Craver.

At 7:00 pm, Chairman Winters noted the presence of members of the Marion Post 2425 VFW who had come to the meeting to observe the 51st anniversary of D-Day. One of the VFW members asked those presence to stand to observe a moment of silence for those who lost their lives in the conflict.

After approving the minutes of the May 30 meeting and signing treasury warrant #49 for the week, the board discussed a late mooring registration payment and another from which they had received no response. Chairman Winters noted that after a second notice had been issued, there still had been no reply from the permit holder for mooring #771.

"It appears to be an abandoned mooring," said Mr. Pickles. "There has been no communication from the owner. The (Marine Resources Commission) and Harbormaster have recommended that the mooring permit be revoked." The board unanimously approved the recommendation.

In the matter of a permit holder who submitted payment one day late past the May 30 deadline, there was some disagreement as to the board's decision. The mooring registration fee was paid, along with the $100 late fee, however the payment was hand-delivered to the Harbormaster on May 31.

"In a situation where we accept payments postmarked May 30, I don't see much difference in accepting a payment which was hand-delivered on May 31," Selectman Schaefer said. "Anything mailed on May 30 wouldn't reach (us) until May 31 anyway. I don't think we should be as hard-nosed about this one case."

But Selectman Dickerson didn't feel any leeway should be allowed. According to the town by-laws, the mooring permit fees are due by May 30, or the result will be revocation of the mooring permit. "If we allow someone to submit payment on May 31 this year, then we'll allow someone to submit payment on June 1 next year ... I think we have to draw the line somewhere," he said. Selectman Dickerson made a motion that the mooring permit be revoked, which was seconded by Chairman Winters. Selectman Schaefer was in opposition; the motion passed via majority vote.

Under incoming correspondence for the week, the board received a response from the plaintiffs in the law suit against the Planning Board and RJM Corporation regarding an invitation to attend last week's Selectmen's meeting. According to the memo, the group could not attend as the litigation was still pending and matters had not been sufficiently resolved.

"Paul Driscoll, the attorney for the developer, informed (our attorney) that litigation would not proceed and would be made moot by virtue of RJM's decision not to contest the appeal, but instead to proceed with the development of so-called Form A lots along Point Road and then later to either seek approval of a definitive subdivision plan for the remainder of the land, or seek approval of a comprehensive permit under the so-called snob zoning laws for 300-500 low cost housing units" the memo stated.

"As a consequence of that offer (or threat) of Mr. Driscoll to moot the

litigation, (our attorney) suggested that RJM agree to the 'standing' of the plaintiffs to initiate the litigation in order to remove any legal impediment of our meeting with you and Mr. Mecke prior to the resolution thereof. We are informed that Mr. Driscoll refused to so agree," the memo finished.

The board also received an Open Letter to the plaintiffs in the Point Road subdivision law suit from several Marion residents asking that they withdraw their suit. "This suit will take from all of us the upland trails, the wetlands, the green buffer along Point Road, the recreational facility," the letter stated. "Why pursue it? If your disagreement is with the town zoning, this suit will not change it. If your disagreement is with the Planning Board members, the suit will not change the board membership. If your disagreement is with the total number of lots, this suit will make no real difference — unless RJM Corporation pursues a low income housing alternative — then your suit will be quadrupling the number of lots. loses. The only possible loser is the Town of Marion."

Other correspondence included:

• Letter from Constance Walen of South Street, who wrote to contend that a neighbor, Tom Figueiredo, is operating a carpentry/manufacturing shop from a garage located at 54 South Street. "Tom Figueiredo is not a legal resident of 54 South Street, he is a legal resident (I have checked with the registrar) of 12 Ridgeway Lane, where there is a single home and a double garage from which we believe he should be conducting his business," she wrote. The board agreed to look into this matter.

• Notice from the Division of Marine Fisheries that Sippican Inner Harbor and Planting Island Cove have been closed to shellfishing, from June 1 through October 31, 1995.

At 7:20 pm, the board met with Mark Verkennis of the Massachusetts Historical Commission to discuss plans for the Music Hall building and the possibility of establishing an historic district in Marion Village in order to facilitate state and federal funding for historic preservation.

"There has been some confusion as to whether or not Marion has an Historical Commission," Mr. Verkennis said. "I think the town should look at establishing a commission so they can begin the process of identifying all the historic properties in town."

Mr. Verkennis noted that once historic buildings and properties are inventoried and cataloged, then the town can proceed to list them in either the Massachusetts or National Historic Register. "There are certainly a number of properties in Marion which would qualify for inclusion in the National Historic Register," he said. "And you won't need to form an historic district in order to inventory these properties ... or get them listed."

Mr. Verkennis also advised that the primary goal of the town, once an

ALTERATIONS/SHOE REPAIR

Historic Commission is established, would be to file an inventory of all the sites and properties which are pertinent and unique to Marion's history. "The strongest protection a town can provide is to establish a local historic district, which places certain restrictions on what can be done to properties within the district," he said. "You can also place a preservation restriction on a single property, which would restrict any exterior alterations without the permission of a local commission or governing board."

Selectman Dickerson noted that as Elizabeth Taber's will already places a certain restriction on what the town can and cannot do with the Music Hall, there would really be no problem in placing such a restriction on the building for that purpose. In fact, the residents recently voted their overwhelming approval of such a move in order to increase the opportunities for state and federal funding.

Mr. Verkennis agreed to work with the town to apply for such grants, and said he could be called upon to assist in preparing an inventory of historic town properties.

At 8:00 pm, the board met with Charles Paulsen and Lee Hayes, representing the plaintiffs in the law suit against the Marion Planning Board and RJM Corporation regarding the Point Road subdivision. Also present were Planning Board member George T. J. Walker, Richard Mecke of RJM Corporation, and Mr. Mecke's attorney, Paul Driscoll.

Mr. Walker opened the proceedings by noting that since last week's meeting — during which a number of Marion residents brought forth their concerns over this law suit and the affect it would have on the final Point Road development — there have been intensive negotiations between the Planning Board, Town Counsel, RJM Corporation, and the plaintiffs. "I think we may have resolved our differences," Mr. Walker said. "Everyone has agreed to make some concessions tonight."

"On behalf of the plaintiffs who brought the lawsuit against the Planning Board and Mr. Mecke, we have agreed to dismiss the law suit with prejudice, and will withdraw the litigation tomorrow morning," said Mr. Paulsen. "With the understanding that the Planning Board will agree to the following stipulations."

At which point, Mr. Walker noted: "The Planning Board welcomes the unprecedented citizen participation in the planning process that we have had with the Point Road/Mecke project. As a board, we publicly affirm and embrace such participation in the future of Marion. We commit ourselves to open hearings and the continuance of such input from the citizenry. To that end, we commit to a major revision of subdivision rules and regulations.

"(The Planning Board) further acknowledges that there have developed legitimate questions as to whether the processes by which the density was determined were flawed."

In addition to this concession, Mr. Mecke has agreed to actively market some ten units from his subdivision for elderly housing, although he legally cannot discriminate against applicants due to age. "Mr. Mecke can certainly designate a certain number of units for elderly housing ... be he cannot

legally commit himself to this effort, as it would be a matter of discrimination," Attorney Driscoll noted.

Mr. Mecke thanked the plaintiffs for withdrawing the suit and for coming to a speedy resolution. "Possible sales to date suggest that at least ten units will be devoted to elderly housing," Mr. Mecke said, "and we'll actively market to the elderly ... but I want to make it clear that this is not a condition for the withdrawal of the law suit."

Lee Hayes also made a formal statement on behalf of the plaintiffs. "Our appeal regarding the Point Road development was based on the belief that the Planning Board had approved a plan that did not comply with the requirements nor the intent of Marion's by-laws," he said. "Our position was simple: we wanted a cluster with a legal number of homes.

"We are pleased the Planning Board has acknowledged their process was flawed and has committed to fix their rules and regulations so this situation won't happen again. Given the disputed number of homes in the cluster, we are pleased Mr. Mecke has agreed to lower the cost of town services for his development by agreeing to focus his construction and marketing of a number of his sites as appropriate for elderly housing. We believe our appeal was in the best interest of the town and will help to focus us all on the proper future growth of Marion."

"We're very happy the plaintiffs and defendants were able to work this out," Selectman Dickerson said. "I concur," said Chairman Winters, "and I am glad they were able to resolve this matter in record time, while keeping the best interest of the town in mind."

There being no further matters to come before the board, they unanimously voted to adjourn for the evening at 8:20 pm.

Rochester Selectmen's Meeting

June 5, 1995

A regular meeting of the Rochester Board of Selectmen was called to order on Monday, June 5 at 7:00 pm by Chairman Michael Murphy. Also present were Selectman David L. Hughes, Selectman Lorraine Roy Hawkes, and Secretary Veronica Lafreniere.

After approving the minutes of the May 30 meeting with some minor corrections from Selectman Hawkes, Chairman Murphy began reviewing incoming correspondence for the week, beginning with a notification from Energy Answers Corporation (EAC) that they will begin using an in-house legal department, which will be added as of July 1.

Chairman Murphy then read a letter of resignation from Police Matron Edith L. Young, who is stepping down from her position but remaining on duty as a part-time police officer with the department. "Since the position of part-time police officer supersedes my matron duties, I feel my position as officer (is) more important," she explained in her letter.

"Since a matron does not have Massachusetts Criminal Justice training or certification to do anything but CPR and suicide prevention, I would not want to put my fellow officers' cases in jeopardy by being classified as a matron and then taking statements and writing reports that are only legal with my training and certification as an officer ... it would be less confusing for all concerned if I am strictly an officer," Ms. Young wrote.

Ms. Young agreed to stay on in the position until a replacement could be found. Selectman Hughes moved to accept Ms. Young's resignation with regret, and asked that a letter of appreciation be sent to her for her past service to the town.

The board next received a copy of a Water Management Permit issued from the Department of Environmental Protection (DEP). The permit authorizes continued water withdrawals from the north and south wells on Perry Hill Road in Rochester for use by the Marion DPW.

A copy of a letter from the Rochester Planning Board to Jean C. Fordyce regarding the next date for discussion of the Haskell Ridge Development (Phase I) was sent to the board. The next scheduled meeting on this topic will be June 13.

Copies of four recently-issued Orders of Conditions were also sent to the board for their perusal. The orders were on behalf of:

• Rochester Highway Department — to allow the pulverization of existing pavement, reconstruction, associated regrading, and installation of culverts on an approximately 475 foot section of Mary's Pond Road.

• Rochester Highway Department — to allow the pulverization of existing pavement, reconstruction, associated regrading, and installation of culverts and placement of paved swales on a portion of High Street.

• John Dvorski, High Street — to allow construction and grading of a cranberry bog and bypass canal within the 100 foot buffer zone to a bordering vegetated wetland on High Street.

• Richard W. Carr, Dataw Island, SC — to allow construction of a single-family dwelling, a driveway, and

installation of a sewage disposal system and to fill and grade on property along Mary's Pond Road.

Under incoming notices for the week, Chairman Murphy cited:

• Community Information Meeting sponsored by the Tri-Town Housing Co-Op, Inc. will be held on Monday, June 12 at 7:00 pm at St. Gabriel's Church in Marion.

• Annual Meeting of members of the Plymouth County Wildlands Trust on Thursday, July 13 in Duxbury, MA.

Under Old Business, Selectman Hawkes moved to allow the Rochester School Committee to seek advice of Town Counsel with respect to the pending contract negotiations. The board unanimously approved the motion.

Selectman Hawkes also noted that the meeting of the Personnel Board scheduled for this Wednesday (June 7) would be difficult for her to attend. She asked if it could be rescheduled. Chairman Murphy noted that it had been difficult to get everyone to agree on a night to meet, so they would go ahead with the meeting as planned and make sure Selectman Hawkes was able to attend the follow-up meeting.

Selectman Hughes next motioned to sign the agreement with Greenwood Fire Apparatus, Inc. for the purchase and delivery of a new 1250 gallon-per-minute pumper/tanker for the Fire Department. The board unanimously approved the motion.

Chairman Murphy noted that in his recent meetings with the Building Needs Committee, it was brought to his attention that some people are taking brush and shrubbery from the town-owned Dexter Lane property, which is being considered as a possible site for a new senior center/police station/fire station/highway

REDUCING TAX ON SALE PROFIT

If you are selling your home there are ways to reduce the federal tax from any profit you make. If you buy or build a new residence within a period of two years before or after selling your home, the entire gain may be deferred if the purchase price of the new residence exceeds the adjusted sale price of the old residence (gross sale price minus the costs linked to selling the house -- like the broker's commission).

Also a taxpayer at least 55 years old is eligible for a once- in-a-lifetime exclusion of up to $125,000 of gain on property used as a principal residence for at least three years of the preceding five year period.

Another method of reducing the federal tax is to establish a higher tax basis for the home being sold. The tax basis is the original cost plus capital improvements. Examples of capital improvements are added rooms, a remodeled kitchen, a new roof, central air conditioning, or a new swimming pool. Keep receipts for all of these improvements.

Call Fisher & Rocha today with any of your Real Estate questions or needs, we're here to help!! 758-6738.

barn complex. "We're concerned about people taking shrubs from the property," he said. "Has anyone been given permission to take shrubs from there?"

Selectman Hughes said that the Town of Marion had been granted permission to take shrubs from the property when needed, as was the City of New Bedford. Also, an agreement was made with Race Landscaping of Marion to purchase shrubbery from the town.

"Well, right now we'd like to ask that people stop taking shrubbery from the (Dexter Lane) property," he said. "We feel there are some shrubs there now which could be used when we develop the property ... otherwise, we'll have to go out and purchase some."

Selectman Hughes moved that all shrubs and bushes remain on the property, and also added that a letter should be sent to the three entities previously given permission to inform them of this fact. The motion carried unanimously.

The board received a letter from John Hall, who expressed interest in filling a vacancy on the Planning Board. Selectman Hughes asked that a copy of the letter be forwarded to the Planning Board and also asked that an interview/meeting be arranged with the Planning Board for June 19 in order to select a candidate from among the applicants.

Chairman Murphy noted receipt of a survey from the Bureau of Indian Affairs, asking for the town's input

regarding the proposed Wampanoag Casino in New Bedford. As much of the survey information was deemed "unknown" at this time — many of the questions were about the proposed impact of the casino on Rochester property values, and the effect the casino might have on population and the like — the board took a moment to answer the questions posed and unanimously voted to send the responses to the Bureau of Indian Affairs.

Under New Business, Selectman Hughes said he recently discussed with Regional Conservation Agent Laurell J. Farinon the possibility of opening up a portion of the unused Town Hall second floor as an office for the

Conservation Commission. "I told her we would look into the feasibility of establishing an office for the Conservation Commission on the second floor," he said. "I told her we'd have to expend some money ... provide heat up there, run a telephone line, put in insulation ... so we'd have to look at the costs involved first."

Chairman Murphy noted he was in agreement, but wanted to know how much it would cost before committing himself to the project. Selectman Hughes agreed to get some estimates from area contractors and report back to his fellow board members.

With that, a formal motion was made to look into the feasibility of opening up a second floor office for the Conservation Commission in Town Hall and also to acquire some estimates for the project. The motion was carried unanimously.

Selectman Hughes also motioned to send a letter thanking the Rochester Police Brotherhood for their donation of a light bar for a police cruiser — to replace the one which was stolen some weeks ago.

There being no further matters to come before the board, they unanimously voted to adjourn for the evening at 7:26 pm.

Plumb Library Book Sale

The Friends of the Plumb Library's annual Book Sale will be held on the back lawn of the library on Saturday, June 10 from 10:00 am to 2:00 pm. There will be all kinds of books available for our usual low prices. The library is accepting donations of used books, toys, video and audio cassettes during library hours. Items should be in good condition and free from mildew or water damage. No magazines, please!

volunteers to help sort books on Monday or Thursday evenings, and are looking for volunteers to help out before, during and after the sale in June. Interested volunteers should contact Lucy at the library at 763-8600. In case of rain, the Book Sale will be held on Saturday, June 17.

The Library now has a small collection of computer software and CD-Roms available to borrow. All titles are for IBM-compatible PC's. A list of available titles is available at the desk of the library. In addition to circulating titles, the library has over twenty titles that may be used in the library.

The Plumb Memorial Library is asking you to donate your spare pennies (or other spare change) to them this spring, with all proceeds going towards providing programs, entertainers and prizes for kids during the Summer Reading Program.

Drop your pennies in the big bottle at the library. (We'll also take nickles, dimes, and quarters, too!) At the same time, guess how much money the bottle will hold.

Summer Tennis Lessons

The Mattapoisett Recreation Department in cooperation with MYAA will again offer Summer Tennis Lessons at the Mattapoisett town courts.

Bob Hohne, ORR High School's Boys' Tennis coach and his two assistants, Courtney Hohne, a member of the Harvard University Tennis Team, and Casey Hohne, a member of the ORR Tennis Team, will conduct the classes.

The twelve hour-long sessions will be held on Monday and Wednesday mornings from 8:00 am to 1:00 pm beginning June 26. The cost of the program is $60 per student. Class size will be limited to twelve players per session. The younger, less experienced players will be scheduled earlier in the morning. Rain dates will be made up at the end of the scheduled days.

To register, please call Bob Hohne at 758-9081. Remember, enrollment is limited.

Community Information Meeting

A Community Information Meeting, titled "Regarding Habitat for Humanity," is being sponsored by the Marion/Mattapoisett/Rochester Housing Co-Op, Inc. on Monday, June 12 at 7:00 pm in St. Gabriel's Church, 124 Front Street in Marion. Habitat for Humanity is a grass roots' movement popularized by former President Jimmy Carter. Through volunteer labor, management expertise and tax-deductible donations of money and materials, Habitat builds and rehabilitates homes with the help of the homeowners.

The purpose of this meeting will be to explore the possibility of being able to utilize the Habitat program to repair or rehabilitate homes. Generally, this is work that would not be done — except for the fact that the program utilizes donated labor, materials and funds.

Mattapoisett Seniors Mini-Fair

The Mattapoisett Seniors' Club is continuing to work on plans for its only fundraiser of the year — a Mini-Fair, which will be held on August 12 from 9:00 am to 2:00 pm in St. Anthony's Church Hall.

Members and friends who wish to donate items for a Flea Market may call Manny Freitas at 758-4337 or Ms. Norma Jones, President, at 758-6574 about pick-ups.

In addition to the Flea Market, other highlights of the event will include a food table, coffee an', a silent auction, and a plant and vegetable table. Books and magazines will also be sold.

The club's monthly meetings for the season will end June 8 when members and friends will be entertained at 1:30 pm by the Old Hammondtown School Jazz Band under the direction of Stan Ellis.

After the musical fiesta, Ms. Jones will preside at a meeting. A social hour will follow.

Mattapoisett Birthday Calendars

The Mattapoisett Firefighters Association will be producing a 1996 Mattapoisett Birthday Calendar. Association members should be contacting you shortly to solicit calendar purchases and listings of your family and friends' birth dates.

For those unfamiliar with the project, the calendar is the same which until 1994 had been produced by the Mattapoisett Woman's Club. The calendar lists birth dates and anniversaries for each day of the year.

The calendars cost $5 each, which includes two listings. Additional listings can be purchased for 50 cents each.

Tri-Town Early Childhood Assessment

In February, a survey was mailed to 1,050 households in the tri-town area which included children from birth to age eight. The survey was intended to gather information on the types of programs and services which families currently used and to also determine if there were any unmet needs.

A total of 295 returns were received, representing a 28 percent rate of response. Of the returns received, 91 percent were from two parent families, 9 percent from single parent families. 79 percent of adults reported that they were working full- or part-time or were enrolled in school. 21 percent reported they were at home. 79 percent of the families responding reported household income of $40,000 or over. 21 percent reported household income under $40,000. State median income is considered to $44,000 by the Massachusetts Department of Education.

Families reported using the full scope of early childhood programs including child care centers, preschools, licensed family child care, babysitters, friends and relatives in public schools. For recreation, families turned to various sports programs, the YMCA, scouting, libraries, music, drama, and dance programs. They relied primarily on area doctors to tend to their children's sick and well-care needs. They relied on doctors and school personnel for information on their child's development. Friends and neighbors or the schools were sources of

information most commonly tapped when searching for an early childhood program. Friends, schools, and newspapers provided information about sports leisure activities.

When parents were at their "wits end," they most commonly turned to friends, family, or spouse for support. Parents were evenly split as to the kinds of parenting support needed on a regular basis. These included speakers, lectures, newsletters, discussion groups, books, videotapes, support groups, and counseling.

When asked to list programs or services which would help in raising children, parents requested a variety of parent education and support activities. They also listed before and after school and summer programs, extended day kindergartens, play groups, and access to trained babysitters among others.

The Tri-Town Early Childhood Advisory Council will use this information and explore ways to collaborate with other area programs and services in order to meet some of these needs. The information will also guide the council as it plans activities for the 1995-1996 school year.

The dividend hoax had its origins in a special dividend that the Department of Veterans Affairs (VA), then known as the Veterans Administration, did pay in 1950 to World War II veterans who had National Service Life Insurance policies. Some time in 1965, the special dividend news announcements of 15 years earlier resurfaced and were mistakenly published by several newspapers. The special dividend had already been paid out to virtually all eligible government life insurance policy holders and there was no new special dividend.

VA moved quickly to educate the news media, but some well-meaning individuals and organizations began to publish the announcments in small publications,

newsletters and flyers. The actual scope of the original dividend became fictionalized and some publications declared the dividend available to all veterans (not just World War II) and even to those who never carried government life insurance while in the service.

The latest rumor is that active service members, reservists and persons separated within the last few years are eligible. Because VA has received a high volume of requests for this non-existent benefit over the years, Congress passed a law in 1970 that prohibited payment of any special dividend declared prior to 1952 unless the application was received before 1954. VA continues to pay routine dividends on several policy series, but only to veterans who have kept their policies in force. Those veterans receive their dividends automatically on the anniversary date of their individual policy — they do not have to apply for it.

For further information, please contact the Veterans Office in Mattapoisett at 758-4114.

The first concert will be held on Monday, June 12 at 7:30 pm at the Congregational Church Community Center in Marion. The public is invited to sing along with the Society to selections from Mozart's "Solemn Vespers" under the direction of Bette Roberts. Musical scores and summer refreshments will be provided. There is a $4 admission charge.

Ms. Roberts will rehearse everyone present for about 45 minutes in selected choral pieces from the Vespers. After a break with cool summer refreshments, the "pickup" chorus will sing straight through the Vespers. Admission is $4 per person, and the impromptu concert will be over by 9:45 pm.

On Monday, June 26, the Sippican Choral Society will sing selections from Gilbert and Sullivan's "The Mikado," under the direction of Peter West. This second concert in the series will take place at 7:30 pm.

On Monday, July 10 at 7:30 pm, the Society will perform Handel's "Dettingen Te Deum," under the direction of Brian Roderick, Director of the Fairhaven

Adoptable Animals

The Animal Umbrella nursery is still hopping with a great variety of healthy kittens. They have tigers, calicos, and solid colors — all of which have been vet-checked, wormed, and vaccinated.

The good news this week is that most of the "moms" advertised last week have been adopted into loving homes which they so deserved.

The feature adult offerings this week include two all black sleeky neutered males. One is a strictly-indoor cat and the other prefers an indoor/outdoor situation. Also featured this week is a spayed, declawed female to which a little boy has become allergic; and "Lion Face," a gorgeous ginger-colored long-haired neutered male.

- Priscilla at 758-2896.

In the Lost and Found department this week: lost from the Ridgewood Road area — a small tortoise shell (brown gold and orange with short hair). She is friendly but timid and answers to the name "Munchkin." Found on Lebaron Way — a calico. Found on Main Street in Mattapoisett — an angora light-colored cat wearing a brown flea collar.

In order to claim these animals or provide information about the missing, please call Mary Lou (758-9202) or Priscilla (758-2896).

Also lost: a long-haired light cinnamon colored mid-sized male cat, eight years old with white markings on face, chest and paws. He has been missing since May 20 in the Holly Lane/Ned's Point area of Mattapoisett. He is a very friendly cat named "Cinnamon." Please call 758-9412 if found.

For our dog lovers this week: "Sabrina" is looking for a loving home with a lot of time to devote to her. She is a three-year-old, eight and a half pound spayed female mini-pinscher. She was hit by a car in April and her owners did not want her anymore. The person caring for her has paid for all the necessary surgery and she is 100 percent healthy. She is up to date on all her shots and heartworm vaccinations. She is timid around children ... but if you want great company, she is an absolute love. If interested, please call Tara at 748-2164.

Nor'Easter Soccer Club

The Nor'Easter Soccer Club has announced tryouts for the 1995-1996 season. Nor'Easter, the first premier soccer club in the Southeastern Massachusetts area, is a member of the Massachusetts Premier League (MAPLE). For those players who hope to compete on the state team, play high school and college soccer, or beyond, they offer the highest caliber technical and tactical training available in the area. All coaches on the staff currently hold MYSA and/or USSF licenses.

The Director of Coaching is Raymond M. Cabral, Head Coach of the UMass Dartmouth Women, member of the MYSA Instructional Staff, former MYSA State ODP Coach, and Head Coach of the Nike League USWISL.

The club's goals are to develop premier players which have the ability, inner drive, and dedication needed to compete with the best; and to maintain an atmosphere and approach which will encourage a lasting love for the game of soccer.

Tryouts for Boys U-11, U-12, and U-14 teams will be held at UMass Dartmouth (call 758-3412 for specific location) on the following dates and times:

- U-14 — June 14 from 6:00 to 7:30 pm
- U-12 — June 18 from 4:30 to 6:00 pm
- U-11 — June 18 from 6:00 to 7:30 pm.

Players are to arrive one half hour early to register. Players are to bring ball and one light and one dark shirt. For more information, please call Craig Mechler, President, at 758-3412.

Sippican Historical Society

The Museum at the Sippican Historical Society will be open on Wednesday and Saturday, 10:00 am to 4:00 pm, or by appointment (748-2777), and when the flag is up. Tea is served on the second Sunday of the month (next one on June 11) from 1:00 to 4:00 pm.

Cape Irish Children's Program

Once again the search is on for host families for children from Belfast, Northern Ireland. The youngsters, ages 10 and 11, will arrive on Cape Cod at the end of June and stay for six weeks. The program has been in continuous operation since 1975 and has proven to be a rewarding experience for both the children and their American hosts. The present tension has eased in Belfast, but it only emphasizes the need for continuation of such a program. Old Colony Regional Voke

Tech Prep Parents' Night

Old Colony will be hosting a Tech Prep Parents' Night on June 13 at 6:30 pm in the cafetorium. The Tech Prep is a systematic program which focuses on the academic competencies at the high school level for students whose career choices will require a two or four year college degree.

Frank Llamas and Neil Barker from Bristol Community College will explain the Tech Prep program to parents of interested tenth grade Old Colony students. For further information, please call Patricia Foskett or Richard Mitchell at 763-8011.

Paula J. Simmons Memorial

The Old Colony Regional Voke recently dedicated its Guidance Department to Ms. Paula J. Simmons during a ceremony which was held at the school on Tuesday, June 6 at 7:00 pm.

Adult Education Courses

Old Colony Regional Vocational Technical High School is maintaining a mailing list of area residents who want to be notified of future Adult Education Courses that will be held evenings at the school in Rochester. "Leisure

Learning" is just completing its fourth year of offering 24 vocational skills and self-enrichment classes during the regular school year.

Three craft classes, folk art painting, craft sewing and stenciling were offered this year for the first time. Other classes included Auto-Cad, drafting, automotive repair, small engine repair, welding, photography, oil/watercolor painting, basket making, real estate, retirement planning, quilt making, floral design, gourmet cooking, and eight computer courses.

Residents interested in being on the mailing list or needing more information about the courses can call Norman Reid at 763-8011, extension 23 anytime during normal school hours.

Compost Bins Still Available

Compost bins are still available for purchase at the Mattapoisett Board of Health office (758-4112). Bins are on sale at the very reduced price of $20, thanks to a Massachusetts Department of Environmental Protection (DEP) grant awarded to the town.

Both types of compost bins are on display outside the Board of Health office on the second floor of Town Hall, along with brochures about composting. Both are rodent-resistant, have openings for efficient aerobic composting and can be easily-assembled without tools. They differ primarily in appearance and capacity: the more compact Earth Machine is better suited to small urban lots, while the Brave New Composter can handle larger volumes of yard waste.

Marion Art Center

A Nautical Show

The Marion Art Center is now presenting "A Nautical Show" featuring Willard Bond, an internationally-known artist specializing in capturing the excitement of sailboat racing, and Jack Gordon, model boat builder. Viewing hours are Tuesday to Friday, 1:00 to 5:00 pm; and Saturday 10:00 am to 2:00 pm. The exhibit will be on display now through June 28.

ARTCAMP 1995

Applications for ARTCAMP 1995 are now being accepted at the Marion Art Center. This program for children ages 4 1/2 to 9 is offered Tuesday, Wednesday, and Thursday mornings from 9:00 am to 12:00 noon. Activities include Arts and Crafts, Theater, Dance and Music, games, and performances at the end of each season ... plus the ARTCAMP Alma Mater! There are three two-week sessions: Session I - July 5 - 13; Session II - July 18 - 28; Session III - August 1 - 10. Tuition is $105 per session for MAC members, $120 for non-members.

Children are grouped by age, and each group is limited to ten art campers. Counselors Elise Cooke and Kristin Coykendall assist the staff in all activities Jessica Shepardson is the Theater Arts instructor; Joan Prescott teaches Arts & Crafts; and Kitty Martin oversees the Dance/Creative Movement activities. Wendy Bidstrup is director. Almost all of the staff have been working and playing at ARTCAMP since it began nine years ago. Please call 748-1266 for information or stop by the Marion Art Center office to pick up an application during gallery hours (Tuesday - Friday, 1:00 to 5:00 pm; Saturday, 10:00 am to 2:00 pm).

Mattapoisett Public Library

Birthday Book Club

Looking for a special way to celebrate a child's birthday? Climb aboard the Mattapoisett Public Library Birthday Train and donate a book to the children's collection in a child's name. You may request a specific title or choose from the library wish list.

Children who have books donated in their honor become Birthday Book Club members. Their books will have nameplates in the front and the children's names and book titles will be posted on a Birthday Train in the Children's Room. Club members will also be invited to a special birthday party held in their honor.

New Life Jacket Mandate

Small boat operators, who comprise over 80 percent of boating fatalities each year, will now have an extra measure of protection aboard their boats.

As of May 1, boats under 16 feet must have one wearable life jacket, or personal flotation device, for each person aboard, under new rules issued by the U.S. Coast Guard. Under the new regulation, a "throwable" PFD, such as a buoyant cushion, will no longer qualify for the carriage requirement.

The new rules also allow states to establish their own requirements for children. Many states have already enacted rules that require youngsters to wear life jackets at all times while aboard small boats that are underway. The same rules allow the states to require people to wear life jackets while in canoes and kayaks, and while riding sailboards and personal watercraft.

The requirements for vessels over 16 feet remain unchanged.

Also, the Coast Guard may adopt another rule that allows inflatable life jackets to qualify under the carriage requirements. There are several models and styles of inflatables, and because they can be worn almost inconspicuously at all times, boating safety experts believe that more recreational boaters would be encouraged to wear them.

The bottom line with safe boating advocates is that having wearable life jackets on board makes good sense, and wearing one makes even better sense, because it won't work if you don't wear it.

A reminder from the Mattapoisett Power Squadron, 758-3924.

Federal Home Repair Loans

The USDA, Rural & Economic Development Services, formerly known as Farmers Home Administration, has funding available in the Section 504 Rural Housing Program. This program enables local low income residents to repair/update their dwelling in the form of a loan at 1 percent interest rate and/or in the form of a federal grant. Grant recipients must be home owners who are 62 years of age or older and the loan purpose can only be to remove health and safety hazards. Some repairs include, but are not limited to, repairing roofs, providing a sanitary water and waste disposal system, installing screens, windows, or insulation. A borrower's annual household income is the key to the type of assistance for which he or she is eligible.

For more information and/or an application, please contact Assistant County Supervisor, Dawn Macedo, at (508) 747-4742.

Marion Council on Aging

Walking Club

The Marion Walking Club has resumed its Spring schedule. Walkers of all ages are encouraged to enjoy this hour walk which starts in front of Sippican School every Monday, Wednesday, and Thursday at 3:00 pm.

The COA van is available for grocery trips on Tuesday and Friday. Other trips to area malls are also being arranged. Call the COA office at 748-3570 to schedule a ride. Rides to local doctor appointments are available through FISH by calling 748-1414.

Otis AFB Workers' Reunion

Announcing the reunion of all personnel (and guests), military and civilian, who worked for the 551st AEW-CON WG and subordinate organizations at Otis Air Force Base prior to closing in December 1973. The event will be held on September 7, 8 and 9 at the Sea Crest Oceanfront Conference Center, 350 Quaker Road in North Falmouth, MA. Widows and widowers (and guests) are also encouraged to attend. For a schedule of events and further information, please contact: Joanna DaSilva, P.O. Box 226, East Wareham, MA 02538.

Memorial Scholarship

Mr. and Ms. Frank Cafarella, parents of Matthew Cafarella (ORR Class of 1990), who was killed in a car accident last year, have established the Matthew J. Cafarella Memorial Scholarship in honor of their son. Contributions may be sent to: Plymouth Savings Bank, 340 Front Street, Marion, MA 02738. Please mark contributions "Attention: Valerie Nichols."

Athletic Scholarships Available

Over 100,000 collegiate athletic scholarships are available each year to male and female high school and junior college student athletes. Contrary to popular belief, students don't have to be All-State to qualify. Much of this money goes unused. A new publication with forms, sample letters and tables of factual information is available for student athletes. It takes them step by step through the important process of getting an athletic scholarship and includes college and conference listings.

For information on how to get a collegiate athletic scholarship, send a self-addressed (business size), stamped envelope to the National Sports Foundation, 611A Willow Drive, P.O. Box 940, Oakhurst, NJ 07755.

Free Mammograms at Tobey

Area women who don't have health insurance can receive FREE mammograms and a physical as part of a program sponsored by a regional Breast Cancer Consortium. Mammograms are available at Tobey Hospital in Wareham and at several other locations in New Bedford and Dartmouth. The Breast Cancer Program, funded through the Department of Public Health, is coordinated by the Greater New Bedford Community Health Center, in conjunction with the Breast Cancer Awareness Program at the New Bedford Women's Center.

Those eligible to participate are women over the age of 40 who do not have health insurance. Women may arrange for the mammogram with or without a physician's referral. Anyone interested in more information can call Tobey's Public Relations Department at 291-3716, or Helena Mateus of the New Bedford Women's Center at 996-3343.

Stop Smoking Services

Do you want to quit smoking? If so, the Wareham WIC (Women, Infants, Children) has great news for you! The WIC Program is offering FREE Stop Smoking services and educational material to all WIC participants who are interested in quitting cigarettes. If you are part of the WIC program or think you may be eligible for WIC's FREE services, call 295-0056 or 747-1608 for further information.

Gamblers Assistance Program

New Bedford Child and Family Service received a $37,605 grant from the Department of Public Health, Bureau of Substance Abuse, to provide outpatient counseling services for compulsive gamblers. The Gamblers Assistance Program (GAP) will work in collaboration with the Massachusetts Council on Compulsive Gambling. GAP will serve clients from the New Bedford area as well as the southeast region of Massachusetts. Women, teens, elderly and persons of color constitute priority populations.

ORR Junior High School

Grade 7 Survival Experience

Once again many of the ORR Junior High School seventh graders are preparing for the annual Survival Experience which is the culmination of their seventh grade Health-Science Curriculum. This year, the trip will begin on Sunday, June 11 and continue through Saturday, June 17.

It is estimated that during the last 23 years, approximately 2,200 "survivors" have completed the week-long outdoor experience. Many have returned through their high school and college years as chaperones.

As you begin your spring cleaning and come upon a long unused backpack (in good condition) or any other unwanted camping gear, the Survival Advisory Board would greatly appreciate donations of any kind. These donations can help ensure that all of our young people who wish to participate in the program will have the means to do so. Additional support for the program is being provided through a student Car Wash and Bake Sale. Should benefactors wish to contribute to the program, they are welcome to do so. In either case, simply call Judy DeMailly or Rory McFee at ORR Junior High School (758-4928).

SurvivORR Program

ORR Junior High School has had a popular program called "Survival" where over 100 seventh grade children travel to Northfield, MA and live off the land and work on real life skills for a week. In the past couple of years, the school has tried to add to the program for the students who have stayed behind, called "SurvivORR." Both programs run from June 11 - 16.

This year, there is a new activity offered for SurvivORR students. The goals are similar to Survival, although it addresses other facets of real

life skills. While learning skills, students will have an increased awareness of how AIDS is impacting nearby communities. The activity involves students making baby quilts and blankets for local HIV-positive babies.

Thanks to the generosity of all involved, there is no charge for the students participating. Local stores such as Piece Goods of Dartmouth, Wal-Mart, and
Building 19 are donating fabric and supplies for the quilts. Kate MacGregor, the coordinator of the project, also encourages those who have extra remnants to donate to the school.

French Exchange Students

Twenty-five English-speaking high school students are headed to the tri-town area (Marion, Mattapoisett, Rochester) this August to improve their understanding of our culture and language. They are traveling with INTRAX (International Travel and Exchange). Living with area families gives the students a chance to learn about American family life.

Families are needed to house and feed these fourteen- to eighteen-year-olds from July 31 to August 23. While here the group will enjoy a number of activities already planned. Host families are encouraged to join the group on its excursions.

Local families benefit from the program. INTRAX offers travel opportunities to children of host families. Additionally, exchange students are often eager to offer their own homes to American host families traveling abroad. Families who welcome these French students into their homes learn about France and its culture firsthand. By hosting a student, families make local contacts and network cross-culturally as well.

Busy parents often find hosting a student helpful. Their own children spend valuable time with the exchange students, developing mutually rewarding friendships. Host children are also welcome to participate in all group activities: a bonus for working parents.

Local teens are encouraged to be involved.

They are invited to join the group on excursions, practice their French skills, or simply spend time with the young visitors.

Specific activities planned for this year's group are two Boston excursions including visits to the Hard Rock Café, the John Hancock Tower, the Omni Theater in the Museum of Science, Quincy Market, and a Boston Harbor Cruise. Other activities are a Great Woods concert, Plimoth Plantation, beach trips, shopping and more.

The program is run this year by Carla Cafarella of Marion. Ms. Cafarella is a foreign language teacher at Old Rochester Regional High School in Mattapoisett. She taught English skills to foreign students last summer for INTRAX, and is looking forward to organizing a complete summer program this year.

This is a wonderful opportunity for your family to get to know a young French student. If you would like to know more about hosting a visitor or volunteering to assist with the program in any way, contact Carla Cafarella at 748-3356.

News and Photo Submission Policy

The Wanderer gladly accepts any and all news and press release items from local non-profit organizations for publication on a weekly basis. The deadline for submission of said items is Monday at 12:00 noon for publication in that week's edition. Due to the increased number of submissions, however, publication of press material is never guaranteed. *The Wanderer* will make every effort to publish timely news items and announcements as the subject warrants and as often as spacing allows. All press material must be submitted in writing — we cannot accept news items via telephone.
